## ➤ EDUCATION

### UNIVERSITY OF CALIFORNIA, IRVINE

*B.S. Computer Science with a  
specialization in Systems and Software*

## ➤ LANGUAGE

English and Italian.

## ➤ SKILLS

Strong communication skills.

Attention to detail.

Focus on operating systems and algorithms.

Windows (10/7), Mac (Yosemite and newer).

Python, JavaScript, HTML, CSS, C++, MIPS.

## ➤ WORK EXPERIENCE

### GIZMO-CDA INTERN 2017-2019

A non-profit where I taught coding classes to children in grades K-12 after school. I also assisted in other classes, such as laser cutting.

### CLUB ITALIA VICE-PRESIDENT 2022-CURRENT

A university-sponsored club that promoted practicing and teaching Italian language & culture. I assisted with organizing themed social events alongside my fellow board members.
